AN EMERGENCY ORDINANCE, AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTION 37.3, REGARDING BASE RENTALS FOR PURPOSES OF COMPUTING INCREASES.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by amending Section 37.3 to read as follows:

Sec. 37.3. Applicability.

(a) This chapter shall apply to any landlord or tenant of a rental unit wherein the rental increase or total increases within any continuous twelve (12) month period of a given tenant's occupancy beginning on or after April 15, 1978 exceeds 7%; provided,

(1) In addition to the increase guidelines herein, landlords may impose an additional 6% increase without this Chapter becoming applicable if no rent increase was in effect between April 15, 1978 and April 14, 1979, and the existing tenant was a tenant during that entire period, or an additional 12% increase if no rent increase was in effect between April 15, 1977 and April 14, 1979 and the existing tenant was a tenant during that entire period; provided further,

(2) for the twelve (12) month period beginning April 15,

8/27/79
al

1979, the guideline 7% increase for a given tenant's occupancy shall be reduced by the amount by which any rent increase in effect during the same tenant's occupancy between April 15, 1978 and April 14, 1979 exceeded 15%; provided further,

(3) in order to reduce the incentive for landlords to impose the full guideline percentages under Sec. 37.3(a), any portion of those percentages not imposed by the landlord as an increase on or before the effective date of this ordinance may be accumulated and imposed at a later date and this chapter shall not be applicable to such increase; provided further,

(4) for the twelve (12) month period commencing April 15, 1980 the percentage figure of 7% as used in this section shall be modified to be 75% of the "Consumer Price Index for All Urban Consumers for the San Francisco-Oakland Metropolitan Area, U. S. Department of Labor," for the preceeding calendar year, rounded to the nearest percentage. Said figure shall be computed and publicized by the board; provided further,

(5) any guideline increase shall be computed based upon the existing rent at the date of a notice of rental increase or the highest rent paid by the tenant for the same rental unit since April 15, 1978 for any unit where the landlord reduced the rental rate because of real property tax savings.

(b) New leases entered into from the effective date of this ordinance, whether long-term, month-to-month, or implied, oral or written, are covered by the terms of this ordinance.

(c) This chapter shall also apply to any tenant evicted pursuant to Sec. 37.9(a)(11).

Section 2. Emergency Legislation. In approving this ordinance by a three-fourths vote, this Board of Supervisors does hereby declare that an actual emergency exists and that the immediate preservation of the peace and safety of the people of the City and County of San Francisco necessitates that it take effect upon the signature of the Mayor. The evidence which leads this Board to find that an emergency exists is as follows:

(a) That there is a severe residential housing shorgate in San Francisco.

(b) As a result of the low vacancy rate and ever increasing rental charges, a housing emergency exists within the City and County of San Francisco requiring immediate legislative action by the Board of Supervisors.

(c) The existing freeze on rental rate increases expires on June 30, 1979, and great hardship to renters will follow if no rental rate legislation is in effect prior to the expiration of the freeze.

AUTHORIZING THE DIRECTOR OF PUBLIC WORKS TO TAKE NECESSARY MEASURES TO PROTECT THE LIVES AND PROPERTY OF THE CITIZENS OF SAN FRANCISCO BY REMOVING LOOSE ROCKS ABOVE SANSOME STREET BETWEEN UNION AND FILBERT STREETS, GRADING THE SLOPE, STABILIZING THE ROCK MASS, AND RECONSTRUCTING THE DAMAGED ROCK BARRIER; RESCINDING ORDINANCE NO. 384-78; AN EMERGENCY MEASURE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Last two winters after heavy rains the slope above Sansome Street became unstable and slid into the Street damaging the rock fall barrier and parked automobiles. It was the recommendation of Dames and Moore, geological and soils consultant, that the debris forming the toe of the slide be not removed until such time as when the loose or potentially loose rocks above the slide are removed. Some of the loose rocks are on private properties, viz: Lots 2, 3, 4, 5, 6 and 25 of Assessor's Block 106. The owners of said properties have been notified to remove the hazardous rocks from their properties or agree to reimburse the City for doing the work. So far no agreement has been reached and some work has been done. Inasmuch as heavy rains can come in October, it is the City Engineer's opinion that remedial measures should be taken immediately.

Section 2. The Director of Public Works is authorized to proceed in the most expeditious manner to correct the hazards by removing the unstable rocks, grading the slope to a stable condition, stabilizing the rock mass, and reconstructing the rock fall barrier.

Section 3. The Director of Public Works shall bill the owner of each of the properties described in Section 1 for all costs incurred in the work of removing the unstable rocks from each property, grading each property and stabilizing the rock mass of each property. In the event that the property owner refuses or neglects to reimburse the City within thirty (30) days of billing, said Director shall cause a lien to be recorded against the property for such costs.

Section 4. An emergency is hereby declared to exist under the provision of Section 2.301 of the Charter of the City and County of San Francisco, the reason for the emergency being to provide for the immediate necessary preservation of the safety of the citizens of San Francisco by stabilizing the slope at the locations described in Section 1.

Section 5. Ordinance No. 384-78 is hereby rescinded.

FOR EMERGENCY ORDINANCE EXTENDING FOR 120 DAYS ORDINANCE 218-79 AS AMENDED REGARDING RETAIL DISPENSING OF MOTOR FUELS.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Section 17 of Ordinance 218-79 is hereby amended to read as follows:

Section 17. Termination. This ordinance shall remain in effect through December 31, 1979 unless by ordinance of the Board of Supervisors it is either terminated or extended. An ordinance extending or terminating this ordinance shall include a finding that the emergency which necessitates this action either continues or has ceased to exist.

Section 2. Emergency legislation. In approving this ordinance by a three-fourths vote this Board of Supervisors does hereby declare that an actual emergency exists and that the immediate preservation of the health and safety of the people of the City and County of San Francisco necessitates that it take effect immediately upon signature by the Mayor. The evidence which compels this Board to find that an emergency exists is as follows:

(1) There continues to be a severe gasoline shortage in San Francisco and the San Francisco Bay Area which necessitates the extension of the motor fuel sales procedures set forth in Ordinance No. 218-79.

(2) The termination of the motor fuel sales procedures would again make it difficult for emergency vehicles to obtain fuel which would pose the most immediate threat to the health and safety of the people of the City and County of San Francisco. Improving accessibility for emergency vehicles alone would not, however, eliminate the emergency because the lines for gasoline would again clog already busy streets and themselves result in a waste of needed gasoline as well as creating a safety hazard to persons and other vehicles using the streets.

(3) The termination of the motor fuel sales procedure would again make it difficult for commercial vehicles to obtain fuel, adversely affecting the distribution system for goods and services in San Francisco which, in turn, would adversely affect the health and safety of persons who live and work in San Francisco.

ESTABLISHING IN THE BUREAU OF BUILDING INSPECTION A VOLUNTARY INFORMATIONAL INSPECTION PROGRAM FOR ONE AND TWO FAMILY STRUCTURES IN THE INNER MISSION, POTRERO HILL, CHINATOWN/NORTH BEACH AND INGLESIDE CONCENTRATED REHABILITATION AREAS (CRA).

Be it ordained by the people of the City and County of San Francisco,

Section 1. A voluntary informational inspection program to determine eligibility for subsidized loan programs for owners of one and two family structures in Concentrated Rehabilitation Areas is hereby established to be performed by the Bureau of Building Inspection pursuant to Resolution No. 888-78, approved November 1978, which authorized development of specific voluntary informational inspection programs subject to the Board of Supervisors' approval.

Section 2. The voluntary inspection program for Inner Mission, Potrero Hill, Chinatown/North Beach and Ingleside Concentrated Rehabilitation Areas as designated by the California Housing Finance Agency for low interest home improvement and home mortgage loans is applicable only to one and two unit residential structures. The inspections shall be made only upon request by applicants for loans available through the California Housing Finance Agency Home Ownership and Home Improvement Program in order to provide information to the loan applicants concerning San Francisco's Housing Code deficiencies in structures and/or code requirements for proposed work. Since these inspections shall be made for the purpose of examining the dwelling for eligibility for and approval of loans under the said program, the reports of these inspections shall not be available to the public. No record of the inspection shall be retained nor shall any enforcement action result therefrom. Correction of code violations shall be required upon subsequent separate inspection as a result of an independent complaint by a third party or observation of violations by the City Building, Plumbing, or Electrical or Planning inspectors in the normal course of their observation and inspection.

BOARD OF SUPERVISORS

Section 3. For those property owners receiving CHFA low interest rehabilitation loans, complete abatement of municipal code violations will not be required. Loan funds shall be used in accordance with the following priorities:

1. Correction of immediate life and safety hazards.
2. Correction of remaining code violations.
3. General property improvements.

Abatement work beyond that financed or required by the amount of the CHFA loan will not be required by the Bureau of Building Inspection in accordance with the provisions of the CHFA Home Ownership and Home Improvement Program. All work financed by a CHFA loan shall be performed under appropriate permits.

Section 4. The costs of such inspections will be paid from funds allocated to the Bureau of Building Inspection from the Community Development Block Grant budget.

Section 5. This ordinance shall become effective for loan applications received 30 days after approval of this ordinance.

AUTHORIZING THE DIRECTOR OF PUBLIC WORKS TO TAKE NECESSARY MEASURES TO PROTECT THE LIVES AND PROPERTY OF THE CITIZENS OF SAN FRANCISCO BY PERFORMING NECESSARY SOILS EXPLORATION ABOVE WARREN DRIVE NORTH OF DEVONSHIRE WAY, RE-GRADING AND COMPACTING THE SLOPE, AND CONSTRUCTING NECESSARY RETAINING WALL AND DRAINAGE FACILITIES; AN EMERGENCY MEASURE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. As a result of the excavation of Lots 29, 30, 31 & 32 of Assessor's Block 2686 a slippage of earth material beginning on or about June 1, 1979 has occurred affecting other lots in Assessor's Block 2686 which slippage has created hazards that are imminent and substantial to the lives and properties of the citizens. The owner of said Lots 29,30, 31 & 32, of Assessor's Block 2686 having failed to initiate remedial work in anticipation of coming winter rains, it is the City Engineer's opinion that remedial measures should be undertaken immediately.

Section 2. The Director of Public Works is authorized to proceed in the most expeditous manner to correct the hazard by performing necessary soils exploration, re-grading and compacting the slope, and constructing necessary retaining wall and drainage facilities.

Section 3. The Director of Public Works shall bill the owners of affected lots in Assessor's Block 2686 for all costs incurred in the work of performing necessary soils exploration, re-grading and compacting the slope, and constructing necessary retaining wall and drainage facilities. In the event that the property owners refuse or neglect to reimburse the City within thirty (30) days of billing, said Director shall cause a lien to be recorded against the properties for such costs.

BOARD OF SUPERVISORS

Section 4. An emergency is hereby declared to exist under the provision of Section 2.301 of the Charter of the City and County of San Francisco, the reason for the emergency being to provide for the immediate necessary preservation of the safety of the citizens of San Francisco by stabilizing the slope at the locations described in Section 1.

AMENDING PART II, CHAPTER II OF THE SAN FRANCISCO MUNICIPAL CODE (CITY PLANNING CODE) BY AMENDING SECTIONS 185(e) AND 186(c) TO EXTEND THE CONDITIONAL USE PROCEDURES TO ADDITIONAL NONCONFORMING USES SUBJECT TO TERMINATION.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Article 1.7 of Part II, Chapter II of the San Francisco Municipal Code (City Planning Code) is hereby amended by amending Sections 185 and 186 to read as follows:

SEC. 185. Continuance of Other Nonconforming Uses. The purpose of this section is to provide for the gradual elimination or conversion, after a reasonable allowance of time for the amortization of investments therein, of certain classes of nonconforming uses in buildings, in order to encourage and promote the orderly and beneficial development of the land and buildings with conforming uses. The section is intended to apply to obsolescent buildings whose use is widely at variance with the regulations of this Code, and is safeguarded against unnecessary hardship in application by provision for a minimum period of continuance of twenty (20) years, by procedures for extensions and exceptions, and by the requirement of repeated notice as the buildings approach an age indicative of obsolescence. It is further declared that the requirement of eventual removal, or conversion to conforming use of such buildings, subject to the exceptions set forth, is in the public interest and is intended to promote the general welfare.

(a) This section shall apply only to nonconforming uses occupying buildings in R districts, other than Residential-Commercial Combined districts, when such uses would first be permitted as a principal or conditional use in a C or M district or in a

Residential-Commercial Combined district. It shall not apply to exempt limited commercial uses meeting the requirements of Section 186, or to any nonconforming use of land or a building whose continuance is more strictly limited by the provisions of Section 184.

(b) Every such building to which this section applies may be continued in such use for at least twenty (20) years from the effective date of this Code (May 2, 1960), or of the amendment thereto which causes it to be nonconforming, and may be continued for a longer period if it has not yet reached the age hereinafter specified, computed from the date the building was erected. For buildings of Type 1 or Type 2, as defined in the Building Code of the City, the specified age shall be fifty (50) years; for Type 3 buildings it shall be forty (40) years; and for Type 4 and Type 5 buildings it shall be thirty (30) years.

(c) Upon the expiration of the period specified for each such building, it shall be completely removed or altered and converted to a conforming use, except as hereinafter provided.

(d) Where special circumstances apply to any such building and use, which do not apply generally to others affected hereby, extension of time may be granted under the variance procedure as regulated in Section 305, but no such extension shall be for a period in excess of one (1) year. Successive extensions, subject to the same limitations, may be granted upon new application.

(e) Any nonconforming use affected by this section shall be qualified for consideration by the City Planning Commission as a conditional use as regulated in Section 303, upon application filed at any time during the period of permitted continuance specified above. In the event that a conditional use is authorized by the City Planning Commission for any such use, the provisions of Sections 180 through 183 shall continue to apply to such use except

OCT 24 197

as specifically provided in the action of the Commission, and no enlargement, intensification or extension of the nonconforming use shall be permitted by the Commission.

(f) The Zoning Administrator shall give notice by mail of the date of expiration of the periods of permitted continuance specified herein to each owner of record within four (4) years of the effective date of this Code, or of the date of the amendment which caused the use to become nonconforming, and shall repeat such notice at approximate intervals of four (4) years thereafter. A final notice shall be given one (1) year before said date of expiration in each instance. The notices shall set forth all pertinent provisions of this section, including the declared purposes thereof. Failure to send notice by mail to any such owner where the address of such owner is not a matter of public record, or where no Permit of Occupancy for a nonconforming use covered by this section has been issued as provided in Section 171 of this Code, shall not invalidate any proceedings under this section.

SEC. 186. Exemption of Limited Commercial Nonconforming Uses. The purpose of this section is to provide for the further continuance in R districts of nonconforming uses of a limited commercial character, as herein described, which are beneficial to, or can be accommodated within, the residential areas in which they are located. It is hereby found and declared that, despite the general incompatibility of nonconforming uses with the purposes of this Code, and with other nearby uses, these limited commercial uses may be tolerated in residential areas, and tend to provide convenience goods and services on a retail basis to meet the frequent and recurring needs of neighborhood residents within a short distance of their homes. These uses tend to be small in scale, to serve primarily a walk-in trade, and to cause a minimum of interference with nearby streets and properties.

Accordingly, this section recognizes the public advantages of these uses and establishes conditions for their continued operation.

(a) The following nonconforming uses in R districts shall be exempt from the termination provisions of Section 185, provided such uses comply with all the conditions specified in subsection (b) below:

1. In all RH districts and in RM-1 districts: any use that would be permitted as a principal or conditional use in an RC-1 district.
2. In all other RM districts: any use that would be permitted as a principal or conditional use in an RC-2 district.

(b) The limited commercial nonconforming uses described above shall meet the following conditions:

1. The building shall be maintained in a sound and attractive condition, consistent with the general appearance of the neighborhood;
2. Any signs on the property shall be made to comply with the requirements of Article 6 of this Code applying to nonconforming uses;
3. The hours during which the use is open to the public shall be limited to the period between 6:00 a.m. and 10:00 p.m.;
4. No public sidewalk space shall be occupied in connection with the use;
5. Truck loading shall be limited in such a way as to avoid undue interference with sidewalks, or with crosswalks, bus stops, hydrants and other public features;
6. Noise, odors and other nuisance factors shall be adequately controlled; and

7. All other applicable provisions of this Code shall be complied with.

(c) Any use affected by this section which does not comply with all of the conditions herein specified shall be subject to termination in accordance with Section 185 at the expiration of the period specified in that section, but shall be qualified for consideration as a conditional use under Section 185(e). Any such use which is in compliance with such conditions at the expiration of such period but fails to comply therewith at any later date shall be subject to termination when it ceases to comply with any of such conditions.

(d) The provisions for non-conforming uses contained in Sections 180 through 183 shall continue to apply to all uses affected by this Section 186, except that the cost limit for structural alterations contained in Section 181(b)(4) shall not be applicable thereto.

ESTABLISHING IN THE BUREAU OF BUILDING INSPECTION A VOLUNTARY INFORMATIONAL INSPECTION PROGRAM FOR ONE AND TWO FAMILY STRUCTURES IN THE BAYVIEW ~~CONCENTRATED REHABILITATION AREA (CRA)~~ HOUSING IMPROVEMENT PROGRAM (HIP).

Be it Ordained by the People of the City and County of San Francisco

Section 1. A voluntary inspection program for owners of single and two family residential structures in the Bayview only for the duration of the ~~Concentrated Rehabilitation Program~~ Housing Improvement Program in that area is hereby established. Inspections are to be performed by the Bureau of Building Inspection pursuant to Resolution No. 888-78 which authorized the development of specific voluntary informational inspections subject to the approval of the Board of Supervisors.

Section 2. The voluntary inspection program for the Bayview ~~Concentrated Rehabilitation Area~~ Housing Improvement Program is applicable to one and two unit residential structures and shall be made only when requested by the owner of a building in the designated area. The inspection will provide to the property owner information concerning deficiencies under the San Francisco Housing Code. The inspection report shall not be available to the public nor will code violations discovered during such inspections result in enforcement to correct violations. Only if a complaint is made through an independent source, or violations are cited by a city building inspector during the normal course of inspection and observation, and a subsequent inspection is conducted for purposes other than the ~~Concentrated Rehabilitation Program~~ Housing Improvement Program, can there be code enforcement.

Section 3. To obtain Bayview ~~Concentrated Rehabilitation Area~~ Housing Improvement Program financing, the owner will be required to bring his building into full Housing Code compliance. Should the owner decide to correct any or all deficiencies noted in the inspection report without ~~CRA~~ HIP financing, the normal procedures set forth in the Housing, Building, Electrical, Plumbing and Planning codes shall apply.

Section 4. The costs of such voluntary inspections will be paid from funds allocated to the Bureau of Building Inspection from the Community Development Block Grant budget.

Section 5. This ordinance shall become effective after the Bayview ~~Concentrated Rehabilitation Area~~ Housing Improvement Program is established by the Board of Supervisors.

BOARD OF SUPERVISORS

PROVIDING FOR THE ESTABLISHMENT OF A HOUSING IMPROVEMENT PROGRAM FOR THE BAYVIEW AREA AND POLICIES AND PROCEDURES FOR THE ADMINISTRATION AND FINANCING THEREOF.

Be it ordained by the People of the City and County of San Francisco:

HOUSING IMPROVEMENT PROGRAM: BAYVIEW

Section 1 Purpose

This ordinance provides for the administration and financing of a Housing Improvement Program (HIP) in the Bayview area of the City and County of San Francisco as delineated in Section 2. The purpose of HIP is to improve the condition of housing and the quality of life in the Bayview area in San Francisco by providing a means through which property owners of one to four unit buildings which are deteriorating may obtain financial assistance to rehabilitate their property. It shall be the policy to maintain the existing diversity of the Bayview neighborhood, to encourage the existence of low and moderate income housing, and to preserve the residential character of the area. The methods to be used consist of voluntary informational inspections of one to two unit buildings, no cost inspections of three and four unit buildings requiring abatement of any code violations cited during the inspection, relocation assistance, low-cost, long-term loans for property rehabilitation, public improvements necessary to ensure the improvement of the area, and infill new housing construction, and it shall be the policy of the City to provide adequate funding for these purposes as funds are available.

Section 2 Area Boundaries

The boundaries of the area in which the Bayview Housing Improvement Program shall operate are as follows: Beginning at the northwest corner of Lane Street and Revere Avenue, then west

Section 3 Definitions

Unless the context otherwise requires, the following definitions govern the construction of this chapter: (a) "low income" shall mean income which is less than 80 percent of the median income of the San Francisco-Oakland SMSA and (b) "moderate income" shall mean

income which is less than 120 percent of the median income of the San Francisco-Oakland SMSA.

Section 4 Building Inspection

Voluntary information inspections of single and two primarily residential structures shall be made by the Bureau of Building Inspection pursuant to the proposed companion ordinance (File No. 211-79-2. Subject to the appropriation of funds therefore, said information inspections shall be made at no expense to the owner.

Subject to the appropriation of funds therefore, inspections of three and four unit buildings shall be made at no cost to the owners; provided, however, that violations cited during the inspection shall be abated.

Section 5 Financial Assistance

(a) Financial assistance will be available through the California Housing Finance Agency (CHFA) pursuant to its Resolution No. 78-118.

(b) Contingent on the availability of funds through the U. S. Department of Housing and Urban Development Section 312 funds will be made available according to the following priorities:

(i) First priority: low income owner-occupants of single family homes whose incomes are less than 80 percent of the median income for the San Francisco-Oakland SMSA and who can demonstrate that with alternative financing options, their total housing costs would exceed 25 percent of their gross income.

(ii) Second priority: owners of two to four unit buildings in which the owner can demonstrate that rent increases resulting from the cost of rehabilitation would otherwise exceed 7 percent, and that a low income tenant or tenants in such building have certified that such an

increase in their rent would cause them to pay more than twenty-five percent of their income for rent. Loans to investor owners will carry a condition that the owners agree to the rent limitations set forth in Section 7.

(iii) Third priority: other single family homeowners who can demonstrate that their income falls below the maximum threshold of moderate income households (i.e. the 120 percent of the Bay Area median income).

(c) Hardship Loan

(i) Availability and purpose

Subject to appropriation of funds therefore, there shall be established a hardship loan fund the purpose of which shall be provide financial assistance in the form of interest-free loans with deferred payments of principal to low and moderate income-owner-occupants of property subject to residential rehabilitation who would not otherwise be able to pay the costs of meeting rehabilitation standards. Hardship loan funds are to be used only for meeting rehabilitation standards, and incipient violations thereof.

(ii) Maximum amount of loan and eligibility

A hardship loan of up to $7,500 can be made to a low or moderate income applicant who is the owner-occupant of a one to four dwelling unit building. To be eligible for a hardship loan the applicant must demonstrate to the satisfaction of the Department of Real Estate that with a CHFA loan the applicant's housing costs would exceed 25 percent of gross income, and that the applicant does not have other assets to meet the cost of residential rehabilitation without jeopardizing the applicant's ability

to be self-supporting in the future.

(iii) Term of hardship loan

A hardship loan shall be due and payable upon sale or transfer of the property.

(iv) Transferability of hardship loan

(a) Upon transfer of property subject to a hardship loan, or an interest therein, to a spouse or heir who is otherwise eligible for a hardship loan, if the spouse or heir so chooses, the hardship loan shall be transferred to the spouse or heir.

(b) If the owner of property subject to a hardship loan dies, and the hardship loan is not repaid or transferred to another person within one year of the date of the owner's death, the loan shall, as of one year from the date of the owner's death, bear interest at a rate two points below the then current prime interest rate.

(v) Use in conjunction with other loans

A conventional or CHFA loan may be used to supplement a hardship loan provided the property owner otherwise qualifies for such loan.

(vi) Security

Hardship loans shall be secured by a deed of trust naming the City as beneficiary of the trust.

Section 6 Relocation Assistance

Relocation benefits and assistance shall be made available through the Central Relocation Service of the San Francisco Redevelopment Agency pursuant to state law and Ordinance No. 426-73 of this Board of Supervisors which established the relocation policy for the rehabilitation assistance (RAP) program.

Section 7 Rent Increase Limitations

Recipients of loans pursuant to Section 4 (a) and (c) (2):

(a) Shall agree that during the time such loan is outstanding, rent for any unit in the rehabilitated building shall not exceed the base rent plus:

(ii) the actual increases in the owner's monthly loan payments

(iii) increases in property taxes and insurance due to the physical improvements financed under the loan, and

(iv) annual adjustments tied to the rental housing component of the Bay Area Cost of Living Index.

(b) The Chief Administrative Officer shall calculate the annual cost of living adjustment on the basis of the residential rent component of the Bay Area Cost of Living Index as of January 1 each year, and shall announce to both property owners and tenants the adjustment no later than 30 days following publication of such figures by the United States Bureau of Labor Statistics.

(c) Base rent date is the 60th day preceding the date of adoption of this ordinance by the Board of Supervisors.

(d) Base rent for a dwelling unit is the rent charged for the dwelling unit on the base rent date. The Chief Administrative Officer shall notify the owner and the tenant of the base rent.

(e) If the owner or the tenant believes that the base rent as announced by the Chief Administrative Officer is not accurate, he or she may submit evidence establishing another base rent to the Chief Adminstrative Officer within 30 days of the date the base rent was announced. After reconsideration of the base rent determination, the Chief Administrative Officer shall notify the owner and the

tenant of the final determination as to base rent.

(f) If no rent was being charged on the base rent date, or if the property owner believes that the rent charged on the base rent date was unreasonably low due to special conditions, the property owner may petition the Chief Administrative Officer to establish a base rent or to revise the base. The Chief Administrative Officer shall give notice and opportunity to comment in writing to tenants to be affected by the Chief Administrative Officer's decision. In establishing or revising the base rent, the Chief Administrative Officer shall take into consideration the rent charged on the base rent date for comparable units within the same building; the rentcharged on the base rent date for comparable units in the neighborhood; and any special or unusual circumstances affecting the rent charged on the base rent for the subject unit.

(g) Base rent determination pursuant to (e) and (f) may be appealed to the Citizen's Advisory Committee by either the property owner or the tenant. Unless the Citizen's Advisory Committee decides otherwise by a vote of two-thirds of the membership, the decision of the Chief Administrative Officer shall stand.

(h) The provisions of this rent increase limitation shall not apply to any unit(s) subsidized by any federal rent assistance program where the tenants rental payments are thereby limited to 15% or 25% of the lower income or low income tenant's income.

Section 8 Plan for Public Improvements

With the participation of the Citizen's Advisory Committee, and in consultation with other relevant City agencies, the Director of Planning shall develop a proposed plan for public improvements. The proposed plan for public improvements for each area shall include all items the Director of Planning deems necessary to the

ORDINANCE NO. 495-79

APPROVING LEASE FOR ESTABLISHING AND OPERATING A ROWING AND ATHLETIC CLUD AT THE AQUATIC PARK IN SAN FRANCISCO, CALIFORNIA

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

The Dolphin Swimming and Boating Club has operated since 1888, a club devoted to aquatic activities at Aquatic Park, and in and around San Francisco Bay, and at all times the Dolphin Swimming and Boating Club has been a non-profit organization. The club has provided unique and individual leadership and guidance in the areas of boating, rowing, swimming and other sports to the people of San Francisco at Aquatic Park, on a non-profit basis; the club, with the exception of the South End Rowing Club, is the only known organization in Northern California providing such a diverse program of sporting activities catering to cold water swimming, rowing, boating, handball, running and weight lifting.

The Board of Supervisors finds that it is in the public interest to preserve the club as a historical living cultural asset of the San Francisco Bay Area; that the proper and only practical means of continuing such services and the traditions of San Francisco would be to retain the continuing operation of the Dolphin Swimming and Boating Club at Aquatic Park; and that competitive bidding procedures for the leasing of such premises were impracticable.

Section 2. That certain lease between the Recreation and Park Commission for and on behalf of the City and County of San Francisco, and the Dolphin Swimming and Boating Club for establishing and operating a rowing and athletic club at Aquatic Park in San Francisco, a copy of which lease is on file in the office of the Clerk of the Board of Supervisors and to which reference is hereby made, is hereby approved.

AMENDING CHAPTER 6, SAN FRANCISCO ADMINISTRATIVE CODE, BY AMENDING SECTIONS 6.13 AND 6.14 THEREOF, AND BY ADDING SECTION 6.14-1 THERETO, RELATING TO LIQUIDATED DAMAGES, THE PAYMENT TO CONTRACTOR FOR DELAYS, AND THE PROCEDURE FOR TERMINATION OF CONTRACTS FOR CONVENIENCE OF CITY.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Chapter 6 of the San Francisco Administrative Code is hereby amended by amending Sections 6.13 and 6.14 thereof, to read as follows:

SEC. 6.13 Liquidated Damages.

Any contract may provide a time within which the contract work, or portions thereof, shall be completed and may provide for the payment of agreed liquidated damages to the City and County for every calendar or working day thereafter during which such work shall be uncompleted.

In every contract for construction, repair, or renovation exceeding the amount specified in Section 6.1 of this Chapter, there shall be a provision establishing a time for completion in calendar or working days and establishing liquidated damges to the city and county for every calendar day thereafter during which such work shall be uncompleted.

The execution of a contract by a contractor shall constitute his acknowledgment and agreement that the city and county will sustain damages not less than the amount fixed in the contract for each and every day of delay beyond the expiration of the time fixed for such completion or extensions of such time as have been allowed pursuant to the provisions of this chapter.

When the actual progress of the work indicates that completion of the work may be delayed beyond the original or extended contract

time for completion of the entire work, a sum representing the projected liquidated damages shall be deducted from any money due or to become due to the contractor should the contractor fail to demonstrate to the contracting authority's satisfaction that the work will be completed within the contract time.

Such deduction shall be considered not as a penalty, but as the agreed monetary damage sustained by the people of the city and county becuase the contractor failed to perform and complete the work within the time fixed for completion or such extensions of such times as have been allowed pursuant to the provisions of this chapter.

Should the money due or to become due to the contractor be insufficient to cover such agreed liquidated damages, then the contractor forthwith shall pay the remainder to the city and county.

SEC. 6.14 City Will Not Pay Damages For Delay Except Under Special Circumstances.

No damages or compensation of any kind shall be paid to a contractor because of delays in the progress of the work, whether such delays be avoidable or unavoidable; provided, however, the city and county may pay for (i) delays caused to the contractor by the city and county, and (ii) such unavoidable delays as may be specifically stated in the contract. Such latter delays will be compensation for only under the conditions specified in the contract.

Section 2. Chapter 6 of the San Francisco Administrative Code is hereby amended by adding Section 6.14-1 thereto, to read as follows:

SEC. 6.14-1 Termination For Convenience.

In all contracts for the construction of any public work or improvement, the awarding officer, board or commission authorized to let or enter into any contract for any public work or improvement, may include in the specifications setting forth the terms and

conditions for the performance of said contract a provision that the city and county may terminate the performance of work under the contract whenever the awarding officer, board or commission shall determine that such termination is in the best interests of the city and county. Any such termination shall be effected by delivery to the contractor of a notice of termination specifying the extent to which performance of work under the contract is terminated and the date upon which such termination becomes effective. The awarding officer, board or commission is hereby authorized to include within such construction contract the appropriate language to implement this section.
